

Fischer Panda

Factory Certified Marine Generator - 5 Year Limited Warranty (Effective Jan 1, 2024)

WARRANTY

Your Fischer Panda Generator has been refurbished and inspected with care by experienced craftsmen. Fischer Panda warrants that the products and their parts will be free from defects in materials, design and workmanship from their original date of purchase through the coverage periods listed below. Repair, replacement or appropriate adjustment at Fischer Panda Generators option will be furnished if the product, upon Fischer Panda Generators inspection, is found to be properly installed, maintained and operated in accordance with Fischer Panda Generator instruction manuals.

End user must complete registration form and return to Fischer Panda for warranty coverage.

The Serial number and operational hours of your generator must be submitted with all warranty claims.

Warranty coverage on all components begins from date of purchase by the original owner.

A. PRODUCTS COVERED

C. GENERAL LIMITATIONS AND EXCLUSIONS

The following **will not be** covered by warranty:

1. Failure resulting from incorrect installation.
2. Damage caused by water ingestion. A generator is considered to have ingested water when water backs up from the exhaust outlet into the engine cylinder head. This generally occurs when incorrect operating start procedures are implemented (the engine is repeatedly cranked, but fails to start) or if the generator is not installed according to the requirements outlined in the installation manual.
3. Damage caused by water intrusion resulting in the electrical shorting of the alternator end.
4. Normal engine/generator wear.
5. Routine maintenance, tune-ups, belts, hoses, clamps, water pump, filters, exhaust system components, gaskets, seals, anodes and impellers.
6. Damage caused by accidents, damage in transit, improper installation, handling or storage.
7. Damage caused by faulty repairs.
8. Damage caused by operating with improper fuel or at speeds, loads, conditions, modifications, or installation contrary to published specifications and recommendations.
9. Starting batteries and the following related expenses: Labor charges related to battery service and travel expense related to battery service.
10. Incidental expenses such as cost of communications, living and travel expenses, equipment rental, towing charges, dockage, crane fees, crew fees and other similar services.
11. Generator repairs undertaken by an unauthorized Fischer Panda Dealer and/or without prior approval from Fischer Panda Generators.
12. Damage caused by negligent maintenance including but not limited to: failure to provide the specified type and quantity of lubricating oil, cooling air or coolant; failure to perform scheduled maintenance as prescribed in supplied manuals; and failure to provide adequate air intake and or maintenance of air intake systems.

Fischer Panda

13. Use of other than factory supplied or approved repair parts and/or procedures voids Fischer Panda warranty on this part and/or failures caused by this part.
14. Expenses incurred investigating performance complaints unless the problem is caused by defective Fischer Panda materials and workmanship.
15. Transportation costs to deliver the damaged generator to the nearest authorized Fischer Panda dealer.
16. Generator operating system parts supplied by Fischer Panda that are not installed within the physical boundaries of the generator sound shield and are not manufactured by Fischer Panda including external fuel pumps, external fuel filters, water-lift mufflers, water separators and siphon breaks. Warranty and warranty administration for these parts will fall back to the original manufacturer's warranty.
17. Warranty void if the generator is removed from the original boat without prior authorization from Fischer Panda.

D. EXPENSE COVERAGE LIMITATIONS

1. Labor expense coverage is limited to the labor time allotted for the applicable service. Fischer Panda Generators will confirm the applicable labor and time rate during the warranty approval process.
2. Land travel mileage expense coverage is limited to a total of 150 miles [per warranty incident] at the Fischer Panda approved mileage rate in effect. Labor time coverage relating to travel is limited to a total of 2 1/2 hours per warranty incident.
3. Transportation expense coverage to return the generator to the owner is limited to standard methods of transportation such as truck, sea, rail, UPS and parcel post. Premium transportation, such as air freight, is not covered.
4. Removal and re-installation labor time expense coverage is limited to a maximum of eight [8] hours. These time limitations do not include labor time associated with difficult access to the product or preparation. Tasks such as moving furniture and carpets are expressly excluded from coverage.
5. Any parts replaced under this warranty are warranted only from the original date of purchase of the warranted product of which they are a part.

This is our exclusive warranty. We make no other express warranty nor is anyone authorized to make any on our behalf. Any implied or statutory warranties including any warranty, merchantability or fitness of purpose is expressly limited to the duration of this warranty.

Some States do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above may not apply to you.

IMPORTANT: All claims must be completed, including any revisions and/or responses to Fischer Panda within 90 days of the claim number being sent to the dealer/owner.
